# Manufacturer's Statement of Certification

## Federal Residential Tax Credit

The Attic Depot, LLC certifies that the listed products below are defined as qualified "Solar Energy Systems/Photovoltaic Equipment" as prescribed in the Energy Improvement Act of 2008, The American Recovery and Reinvestment Act of 2009 and the Inflation Reduction Act of 2022 and qualify for federal tax incentives:

Model # AD30W	30 Watt Solar Attic Fan
Model # AD30WG	30 Watt Solar Gable Fan
Model # AD25W	25 Watt Solar Attic Fan
Model # AD70W	70 Watt Solar Attic Fan

Under the provisions of this act homeowners are eligible to receive a 30% tax credit on their qualified solar equipment as well as any installation costs incurred. There is no cap on the amount which may be claimed through the tax credit. Products installed on rental properties or commercial properties do not qualify for this tax credit. Taxpayers must retain a copy of this certification statement for their records but are not required to submit a copy with their federal return.

Disclaimer: While accurate at the time of issue, The Attic Depot, LLC makes no warranty concerning the continued accuracy of the information presented herein, nor to the qualification of the above listed products for federal tax credits at the time of filing should federal laws change. The Attic Depot, LLC is not responsible or liable for denied tax credit claims due to changes in qualification requirements or applicable law. Taxpayers should consult with their CPA or local tax professional on any questions regarding applicable tax law or for further clarification regarding the information contained in this certification document. The Attic Depot, LLC is not certified to offer tax advice and explicitly makes no representation of the information contained in this document to be either legal or tax advice to the consumer.
